

## Resort Living At Bleu Ciel

June 25, 2019 | [Home & Real Estate](#)

A new Dallas high-rise is bringing true luxury living to the sky. It's a palace of perks in the clouds in one of the city's most walkable neighborhoods.

Meet the new Bleu Ciel.

This glitzy, 33-story tower is dedicated to making the everyday into a holiday with resort-style amenities. Imagine a restful and visually striking residents-only spa, sweeping views, wine storage and tasting room, plus 24/7 concierge service to assist with reservations, travel arrangements and more.

With all the perks this gorgeous tower offers, you may never want to step foot off the posh premises. But once offsite, you'll find amazingly easy access to the Katy Trail, a dog run and beyond thanks to the area's ultra-high Walk Score of 92.

Bleu Ciel is located in the heart of the 18-block Harwood District in Uptown.

It only takes a leisurely 10-minute stroll, and more than 100 restaurants, museums, shops and entertainment venues are at your beck and call. Bleu Ciel aims to transform high-rise living, but in many ways, it does more than that.

It provides a completely different lifestyle. Harwood District is known as the Walk to Life neighborhood for good reason.

Say goodbye to long commutes, yard work and worrying about the house when you're on vacation. They don't concern Bleu Ciel residents any longer.

The tower offers two, three, or four bedroom units with prices starting at \$1 million. They range

from 1,300 to 7,000 square feet. All are spacious with an open interior, luxurious finishes and sweeping terraces.
