BLEU CIEL PREMIERE PENTHOUSES

Every day is extraordinary when perched from the highest residential viewpoint in Uptown, Dallas. Bleu Ciel's two mirrored Premiere Penthouses dazzle from the 32nd and 33rd floors. Each home consists of two expansive floors with 7,500 square feet of interior space matched with 7,500 square feet of terrace.

Located where art, culture, and garden oases meet, the Premiere Penthouses' extraordinary cantilever pools extend past the building overlooking the bustling Uptown. The gallery-like, spacious homes are built for those who seek the excitement of the city but yearn for the quiet escapes. They are designed for those whose homes can be filled with cocktails and loud conversations one night, but quiet reflection the next.

For those who want the paradise of an estate with none of the worry – welcome home to Bleu Ciel.
